Assalamu alaikum Wr. Wb.

With gratitude to Allah SWT, the First Edition of the Muhammadiyah International Journal of Economics and Business (MIJEB) publication could be launched. MIJEB is a journal published by the Association of the Faculty of Economics and Business (AFEB) Muhammadiyah College (PTM) which is published twice a year. This journal is expected to be able to promote the best research results from AFEB PTM lecturers. The goal, so that the results of the research are useful for the development of scientific, especially in economics and business, and can be utilized for community development.

The First Edition of MIJEB articles came from the results of the Call for Papers (CfP) by AFEB PTM when the First National Conference (Munas I) on November 22-23 2017 at University of Muhammadiyah, Surabaya. The event was coupled with a National Seminar entitled “Build of Ummah Economic Strengthening of Research-Based “. In the CfP event, there were 79 research titles sent to the Reviewer Team and it was stated that 52 articles were successfully presented and 9 papers were nominated as the best papers. The articles in this Journal are selected from the best articles to be published in MIJEB.

Finally, we would like to thank all those involved in the process of publishing this First Edition, especially the editorial team and peer-reviewers. Hopefully this journal will benefit us all.

Wassalamu ‘alaikum Wr. Wb.
