Gratitude to God, alhamdulillah, Muhammadiyah International Journal of Economics and Business (MIJEB) Volume 1, Number 2, 2018 published by the Association of the Faculty of Economics and Business (AFEB) Muhammadiyah College (PTM) was present to greet readers.

The journal is expected to promote the best research results from AFEB PTM lecturers. The goal is that research results are useful for the development of scientific, especially in economics and business, and can be used for the development of society and the nation.

The article in MIJEB Volume 1 Number 2, 2018 was sourced from the results of the Call for Paper (CfP) conducted by AFEB PTM when holding the Second National Conference (Munas II) at the Muhammadiyah University of Malang (UMM) in 2018. In this volume, several articles were selected and then selected published only 7 (seven) best articles.

Finally, we would like to thank all those involved in the process of publishing this volume, especially the editorial team and peer-reviewers. Hopefully this journal will benefit us all.
